Tooling voor modellering Vastgoed

Content

- Vastgoedbeheer ERP implementatie
- Mphee DEMOtool
- Gamification

Vastgoed beheer

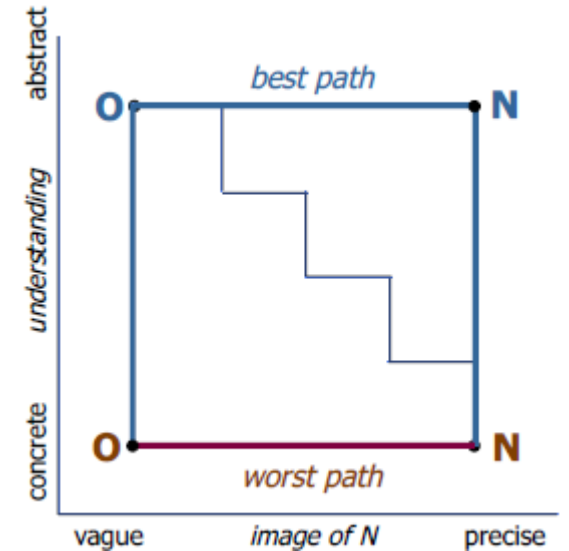

Probleemstelling

- Samenraapsel van processen en applicaties :
 - Beheer, onderhoud, exploitatie, verhuur, HRM
 - Unit 4 Agresso, O-prognose, CRM, Bspaas
- Wens:
 - Organisatie groei
 - Ondersteund door Integraal Vastgoed management systeem (ERP)

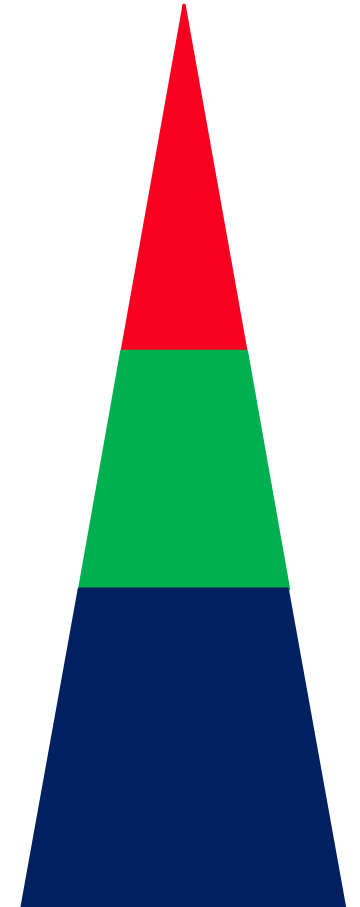

Project inrichting

- Processen
- Pakketselectie
- Implementatie keuzes

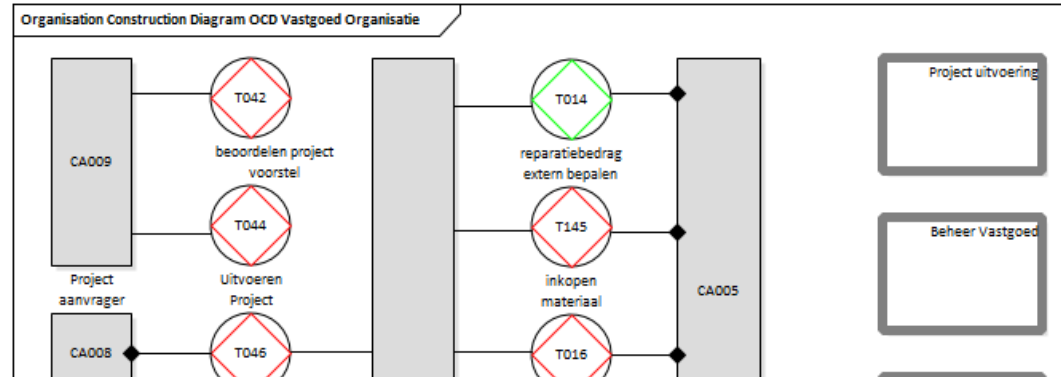

Way of Thinking

- Begin vanuit de constructie
 - Interviews met medewerkers
- OCD
 - Modelleren van de benoemde processen en actorrollen
- A/F Matrix
 - Personen en functies mappen op de actorrollen
- PSD
 - Processen verbijzonderen vanuit OCD
- OFD
 - Datamodel ontwerpen
- Implementatie
 - OCD matchen met applicatie (functies en componenten)
 - Datamodellen correct en matchen met de oplossing
